

GRAPE NUT BREAD

Now things are starting to get crunchy. Our Grape Nut Bread is characterised by it's nutty-fruity taste. This bread does not only taste good for breakfast, it also tastes well with hard, aromatic cheese.

PLUM WALNUT BREAD

Do you feel like starting your day with enjoyment and variety? Our innovative bread recipe made from whole-meal, plums and walnuts. It provides a high-quality source of fibre for breakfast.

PURE NATURAL

Mestemacher´s bread revolution „PURE NATURAL“ (our pure varieties) is 100% flour- and yeast-free. What is more that it combines high-quality and selected ingredients. Oilseeds provides essential omega-3 fatty acids, while legumes has a high source of vegetable protein and fibre.

PROTEIN POWER SNACK

This innovative Protein Power Snack is protein-rich variant for all snack lovers! Thanks to the reduced share of carbohydrates*, the oilseeds and soy protein foundation is this snack ideal for athletes and people who have to do a lot of thinking. * Compared to conventional Crisp Bread.

SOUR CREAM POWER SNACK

This Sour Cream Power Snack with real Emmentaler cheese guarantees that the hearts of cracker fans beat faster. High in fibre and with an intensive taste, this Power Snack is perfect for a cozy TV evening.

TOMATO & MOZZARELLA POWER SNACK

Our Tomato & Mozzarella Power Snack conjures up Italian flair on your plate! In combination with anti-pasti, cream cheese and a glass of wine, this high-fibre crisp bread, with virgin olive oil, sets the stage for a great evening with friends.

CHEESE & PUMPKIN SEED POWER SNACK

This Cheese-Seed cracker is quite hearty. Strong Emmentaler cheese and nutty pumpkin seeds give the Cheese & Pumpkin Seed Power Snack a good flavour.

MUESLI POWER SNACK

This exotic-fruity snack with coconut chips and cranberries gives you a holiday feeling. The crunchy crisp bread is perfect as a snack when you are on tour. Ideal for everyone who wants to enjoy a break during the day.

PROTEIN POWER SNACK

This snack with different grains gives you maximum power. High quality soy serves as a protein source and provides the necessary energy for every day.
